

SOLO THE CORELLIAN SMUGGLER  
(RUDOLPH THE RED-NOSED REINDEER)

You know Lando, and Hondo,  
and Beckett, and Jaxxon;  
Watto, and Greedo,  
and Q'ira, and Cassian.  
But do you recall...  
The most famous scoundrel of all?

Solo the Corellian smuggler  
Had a very special ship  
And if you tried to track it,  
You would hardly see a blip.

He'd made a few modifications,  
Like cannons and new hyperdrive,  
That helped him in situations  
To keep him and his crew alive.

Then on Kashyyyk, Life Day eve,  
The Empire came to say  
"You best stay up there in your trees,  
Or we'll bring you Wookiees to your knees!"

Then the Falcon dropped out of orbit  
with Han and first mate Chewie  
Who came to the Wookiee's rescue  
And shook those Imps out of their trees!

"The Life Day celebration's saved!"  
The Wookiees growled with glee  
Chewbacca made it home you see,  
To re-u-nite with family.

Solo the Corellian smuggler  
Though scruffy-lookin' you may be  
For saving the Wookiee Life Day  
You're the hero of the gal-ax-y!

I'M FREEZING IN A HOTH ICE CAVE  
(I'M DREAMING OF A WHITE CHRISTMAS)

I'm freezing in a Hoth ice cave  
Too bad I'm hanging from my toes  
With my tauntaun bleating  
The wampa's feeding  
And my saber's stuck there, in the snow

I'm reaching out with my feelings  
Lightsaber to my hand in time  
Chop that wam-pa's hairy arm right  
And run out in blizzardy white night

I'm trodding through fro-zen tundra  
I've fallen down into the snow  
Obi-Wan says, "Listen  
Luke you must hasten  
To Dagobah system you must go"

Who's Yoda? I must be snow-blind!  
But is that Han riding in sight?  
Taun tauns smell bad on the out-side...  
But it's luke-warm tucked in one tonight.

I'LL BE HOME FOR LIFE DAY  
(I'LL BE HOME FOR CHRISTMAS)

I'll be home for life day  
You can count on me  
have my robes  
and glowing globes  
a-waiting there for me

In Hyperspace you'll find me  
at point-five past light speed;  
I'll be home for life day  
so meet me at our tree!

IT'S BEGINNING TO LOOK A LOT LIKE LIFE DAY  
(IT'S BEGINNING TO LOOK LIKE CHRISTMAS)

It's beginning to look a lot like Life Day  
Everywhere I go  
The Wookiees are wearing red,  
Robes that show just their head,  
Carrying their shiny orbs that glow.

It's beginning to look a lot like Life Day  
Growling fills the air  
And the happiest things you'll see  
Are the Wookiees that will be  
In your home tree lair

Mother is baking  
The bantha she's making  
From Gormaanda's old recipe;  
Grandpa is carvin'  
X-wings so alarmin'  
From fresh limbs he's cut from the tree  
Great games enjoy each girl and boy  
For this festivity!

It's beginning to look a lot like Life Day!  
Everywhere you roam,  
Ackmena's been serving cheer  
To travelers far and near,  
As they leave the cantina for home

It's beginning to look a lot like Life Day!  
At the Tree of Life we'll meet,  
And promise to you and me,  
That here in our galaxy,  
We will all be free.

It's beginning to look a lot like Life Day  
Growling voices roar  
The Wookiees, and you and me  
Mark this day so joyously  
For e-ver more!

Sure, It's Life Day, once more!

## SNOWY THE TAUN-TAUN (FROSTY THE SNOWMAN)

Snowy the Taun-Taun  
Was a very noble beast  
With a broken horn and a furry hide  
And some sharp and pointy teeth:

Snowy the Taun-Taun  
Was a Rebel through and through  
And the children saw he could use his paws  
To help save our Rebel crew.

He took ol' Han across the land  
To find a missing lad  
And he only paused a moment  
When the snowstorm got too bad!

Oh, Snowy the Taun-Taun  
Is a hero they all say!  
Didn't like the snow but the children know  
How he saved Luke's life one day.

Gallumpity glump glump  
Gallumpity glump glump  
Look at Snowy go  
Gallumpity glump glump  
Gallumpity glump glump  
Over the hills of snow!

Snowy the Taun-Taun  
Knew that Hoth was tough that day  
So he said "Let's ride  
While the Speeders hide  
From the snowstorm on its way."

Over the glacier  
On his quest for Skywalker,  
Running 'cross the dunes,  
Underneath the moon  
Looking for the first marker.

There must have been some magic in  
His carcass when he died,  
For when Han Solo sliced him up,  
He stuffed Luke right inside!

Snowy the Taun Taun  
Saved ol' Luke's life that day,  
He's a good old soul and don'cha know  
He'll be a blue force-ghost someday.

Gallumpity glump glump  
Gallumpity glump glump  
Look at Snowy go  
Gallumpity glump glump  
Gallumpity glump glump  
Glowing his great blue glow!

## DROIDEL, DROIDEL, DROIDEL (DREIDEL, DREIDEL DREIDEL)

I have a little droidel. I made it from spare parts.  
And when it's up and running, it is a work of art.  
Oh droidel, droidel, droidel, I made it out of parts.  
Oh droidel, droidel, droidel, it is a work of art.

It has a big round body, with legs so short and thin.  
And when it loses power, then it won't roll and spin!  
Oh, Droidel, droidel, droidel, with legs so short and thin.  
Droidel, droidel, droidel, it rolls and it can spin!

My droidel's always playful, it loves to beep and chirp.  
A happy little droidel, my friendly little twerp.  
Oh droidel, droidel, droidel, It loves to beep and chirp.  
Droidel, droidel, droidel, my friendly little twerp.

(Repeat first verse)

"This holiday is yours, but we all share with you the hope that this day brings us closer to freedom and to harmony and to peace. No matter how different we appear, we're all the same in our struggle against the powers of evil and darkness. I hope that this day will always be a day of joy, in which we can reconfirm our dedication and our courage. And more than anything else, our love for one another. This is the promise of the Tree of Life."
